

# Welcome to the Big Break Visitor Center at the Delta

We hope you will enjoy this exhibition, *Portraits of the Delta: Past, Present, and Future*. The Delta is many things to many people and this exhibit gives a glimpse into the diverse views and perspectives of this watery landscape and its profound impact on the region and California.

Go fishing, watch birds, take in a naturalist program, chat with a ranger or a volunteer, or just relax with a stroll down the Big Break Regional Trail. The opportunities to recreate and learn are endless.

Visit any of your 65 nearby East Bay Regional Parks in Contra Costa and Alameda counties, including more than 1,200 miles of trails and over 112,000 acres of parkland to explore by land and water. Enjoy!

Robert E. Doyle, General Manager

Ted Radke, Board Member Ward 7
