

Fire History in the East Bay

Legend

1900-1909	1960-1969
1910-1919	1970-1979
1920-1929	1980-1989
1930-1939	1990-1999
1940-1949	2000-2009
1950-1959	PARKS

INFORMATION SOURCES

These fires have been mapped using the best available information, including boundaries described in newspaper articles, lookout tower records, and the CAL FIRE FRAP database. Particularly for early fires, boundaries are approximate. The fires shown here include all for which known data is available. However, many more fires occurred which were never mapped, therefore those displayed here represent a small percentage of this area's fire history.
