

2024 Docent Educator Orientation

Docent Educators help connect people to parks. They share the Park District's rich heritage of natural and cultural history and engage with visitors of all ages.

- Assist Naturalists at Visitor Centers
- Learn about the Parks - Nature, History, and Culture
- Share your knowledge with Park Visitors
- Assist with a variety of projects and special events
- Connect with your community!

Interested? Join us for a virtual orientation to learn about the Docent Educator Program and start your training to become a docent at one or more of our 8 East Bay Parks Visitor Centers!

Wednesday March 20th

6:30-8pm

Virtual Event hosted via Zoom
