Species:	Coordinates E:	N:		Coordinates are in State Plane Ca III NAD83
Species:	Coordinates E:	N:		
Species:	Coordinates E:	N:		
Species:	Coordinates E:	N:		Ca III NAD83

<b>ADDITIONAL NOTES:</b> Notes on AWS habitat quality and general comments (include abundance of prey species, density and amount of burrows and rock outcrops, distance to core scrub habitat and/or degree of core scrub isolation [e.g., fragmented or contiguous]). Notes on CRLF habitat presence and quality. Notes on signs of potential <i>P. cinnamomi</i> presence (aboveground symptoms, zones of dead or dying plants, location in RTA):							
							Zones of deda of dying plants, focution in 12111/1.
