

Welcome to Cull Canyon

Year opened: 1964 Acres: 360

Highlights: Swimming, picnicking, and hiking.

Did you know? Cull Canyon's swim lagoon won the 1966 Governor's Design Award for Exceptional Distinction for Recreational Development.

Fees: There is a fee for entry into the swimming complex.

SWIMMING This recreation area is a popular swimming spot just a short drive north from I-580 in Castro Valley. The swim complex includes a bathhouse and lifeguard service. The lagoon is open seasonally; check www.ebparcs.org/activities/swimming/facilities for details, including lifeguard hours. Water is pumped into the 1.5-acre lagoon and treated to ensure a consistent water level and safe swimming experience. The swim lagoon is ideal for families with small children, who will enjoy splashing in the shallows. Preregistration is available online for weekends and holidays; walk-ins depend upon capacity. Alcohol, portable BBQs, and glass are prohibited in the swim facility.

PICNICKING Picnic sites with tables and barbecues are available on a first-come, first-served basis. Four reservable picnic areas, ranging in capacity from 50 to 100 persons, are located outside the swim complex. There is a fee and advance reservations must be made. Call 1-888-327-2757, option 2 for information.
