

Community Outreach

In-Person Program Descriptions

In-Person Program	Location
<p><u>Community Event Tabling:</u> We can bring our Mobile Visitor Center to your festival or outdoor gathering. Engage with an East Bay Regional Park District Naturalist while learning more about our parks.</p>	<p>Any location in Alameda & Contra Costa Counties Mobile Education</p>
<p><u>Community Science in Action:</u> Get involved with documenting species in the parks through different conservation projects including phenology, invasive plant removal, or seine netting</p>	<p>Any location in Alameda & Contra Costa Counties Mobile Education</p>
<p><u>Mobile Fish Exhibit:</u> We can bring our 1500-gallon aquarium on wheels —housing the most diverse collection of California Freshwater Fish— to your outdoors, community-based, free special event. Venues must meet site requirements, with a desired minimum of 500 participants. Limited availability.</p>	<p>Any location in Alameda & Contra Costa Counties Mobile Education</p>
<p><u>Nature in Your Neighborhood Walk:</u> Meet at a Naturalist at a nearby outdoor location and discover the nature all around, focusing on urban ecology and species.</p>	<p>Any location in Alameda & Contra Costa Counties Mobile Education</p>
<p><u>Nature to You:</u> Have a Naturalist come to you and present on a tailored theme including Reptiles/Amphibians, Skull Detectives, Owl Pellet dissection, and more!</p>	<p>Any location in Alameda & Contra Costa Counties Mobile Education</p>
<p><u>Explore Ardenwood:</u> Experience life on a late-1800's farm. Meet animals, experience old-fashioned chores, and connect with the communities and resources cultivated by farms.</p>	<p>Ardenwood Historic Farm, Fremont</p>
<p><u>Meet the Delta:</u> Come share the sights, sounds and stories of the Delta on a tour of the shoreline. We'll walk through the Delta exhibits at the visitor center and head out on a flat, paved wetland walk to the waterfront.</p>	<p>Big Break Regional Shoreline and Visitor Center, Oakley</p>
<p><u>Coal Mining History Tour:</u> Hike through the townsite of Somersville to learn of the immigrants who carved a life from these hills. Then continue underground into the Coal Mine Experience, a replica 19th century coal mine, to discover how and why coal was critical to the young state of California. Ages 7 & up. Program length: 1.5 hours.</p>	<p>Black Diamond Mines Regional Preserve and Visitor Center, Antioch</p>
<p><u>Marsh Exploration:</u> Hike along the shoreline at Martinez or Bay Point to learn about marsh habitats in the San Francisco Bay area. We will explore the plants, animals, and history of this diverse community. Marsh Exploration Hike along the shoreline at Martinez or Bay Point to learn about marsh habitats in the San Francisco Bay area. We will explore the plants, animals, and history of this diverse community. All ages. Program length: 2 hours.</p>	<p>Martinez Regional Shoreline or Bay Point Regional Shoreline</p>
<p><u>Cove Days:</u> Explore outdoors to learn about San Francisco Bay creatures, see them up close (tide permitting) and view the exhibits and aquariums in the visitor center.</p>	<p>Crown Beach and Crab Cove Visitor Center, Alameda</p>
<p><u>Redwood Forest Day:</u> Explore in our local forest, see the huge trees and learn about the animals that live here along with the fascinating history.</p>	<p>Redwood Regional Park, Oakland</p>

<p><u>Discover Del Valle:</u> Discover how water, wildlife, and wilderness come together at the lake. We'll walk through the new Del Valle Visitor Center and head out on a walk with a lake view through the shade of the trees.</p>	<p>Del Valle Regional Park, Livermore</p>
<p><u>Nature Walk and Talk:</u> Topics from animal homes and adaption, bird life, creek critters, and lake ecology are a few of the many possible programs Naturalists can customize for your needs on a variety of trails in the park.</p>	<p>Del Valle Regional Park, Livermore</p>
<p><u>Naturalist Nature Exploration:</u> Join a Naturalist on the trail as you search for wildlife, discover native plants, and connect to your park! Programs are geared to what you're learning in class while routes and times can be modified for the student's age group.</p>	<p>Sunol Regional Wilderness, Sunol</p>
<p><u>Sunol History Exploration:</u> Learn about the diverse cultural history of the land from the first peoples, Mexican rancheros, and European farmers. Discover evidence in the landscape of how many cultures have thrived throughout with the hills and valleys we now call Sunol.</p>	<p>Sunol Regional Wilderness, Sunol</p>
<p><u>Explore Tilden:</u> Are you curious about nature and the history of the land? We will go on a nature walk and explore the Little Farm, where we'll meet farm animals and learn the importance of agriculture in our daily lives.</p>	<p>Tilden Nature Area, Berkeley</p>
<p><u>Nature Walk:</u> Meander the trails at Point Pinole Regional Shoreline through breezy meadows, aromatic eucalyptus woods, and along bluffs and beaches, investigate the rolling hills of Briones Regional Park, or see the beautiful views at Miller Knox Regional Shoreline. Explore nature, learn about the Bay, and discover your area's rich history.</p>	<p>Various Parks in Pinole, Martinez, Lafayette, and Richmond</p>
<p><u>Ohlone Cultural Program:</u> Learn about Native People, their connection to the land and natural resources, and traditional skills. Using hands-on activities and time outdoors, students will explore artifacts, specimens, and tools that Native People still use today.</p>	<p>Coyote Hills Regional Park and Visitor Center, Fremont</p>
<p><u>Wetland Wonderers:</u> Explore the wetlands of Coyote Hills and learn the types of plants and animals in wetland habitats. Meet animal ambassadors, explore specimens, and get time outside in this adaptable, exploration-heavy, and sensory-engaging program.</p>	<p>Coyote Hills Regional Park and Visitor Center, Fremont</p>

Virtual Program Descriptions

Virtual Program	Location
<u>Nature and Culture:</u> This program will connect our local ecology with human culture and activity both past and present.	Virtual Mobile Education
<u>Explore Ardenwood:</u> Get a glimpse into life on an 1890s farm, as costumed Naturalists demonstrate some typical farm tasks and give you a virtual visit with some farm animals.	Ardenwood
<u>Meet the Delta:</u> Come share the sights, sounds and stories of the Delta on a virtual tour of the shoreline. We will explore the Delta exhibits at the visitor center and head out on a wetland exploration to the waterfront.	Big Break Regional Shoreline
<u>Virtual Mine Tour:</u> Dive into the depths to discover the history hidden underground. Join a Naturalist on this virtual tour to learn about coal and sand mining in the Bay Area.	Black Diamond Mines and Surrounding Parks
<u>Animals and their Habitats:</u> Explore how the animals of Black Diamond Mines find everything they need to live, grow, and thrive. Learn about the different habitats that make this park so special and what adaptations the local animals use to meet their basic needs.	Black Diamond Mines and Surrounding Parks
<u>Creatures of the Bay:</u> Many animals live at Crab Cove because they can find what they need to live and grow. Explore animal basic needs and habitats while learning about a few creatures of the bay.	Crab Cove Visitor Center
<u>Virtual Redwoods:</u> Explore our local huge trees and learn about the animals that live among them.	Redwood Regional Park
<u>Virtual Park Discovery:</u> Embark on a virtual park exploration with a park naturalist to discover topics ranging from the life of a butterfly and animal adaptations to bird life and historical and cultural stories. These are but a few of the many possible programs' naturalists can customize for you.	Del Valle Regional Park
<u>Virtual Park Discovery:</u> Embark on a virtual park exploration with a park naturalist to discover topics ranging from the life of a butterfly and animal adaptations to bird life and historical and cultural stories. These are but a few of the many possible programs' naturalists can customize for you.	Sunol Regional Wilderness
<u>Explore Tilden Virtually:</u> Choose between a nature walk, a dive into life below the surface of the pond, or a farm tour to meet our animals!	Tilden Nature Area
<u>Virtual Wildlife:</u> Enjoy a presentation about insects, reptiles, or spiders, then join the Naturalist for a live discussion!	Tilden Nature Area
<u>Cultural History of Ohlone Peoples:</u> Learn about Native People, their connection to the land and natural resources, and traditional skills. We'll explore artifacts, specimens, and tools that Native People still use today.	Coyote Hills Regional Park
<u>Natural History of Plants & Animals:</u> Explore the wetlands of Coyote Hills and its inhabitants to learn ways to conserve natural resources. We'll learn the types of plants and animals in wetland habitats and how they have adapted to survive.	Coyote Hills Regional Park
