

East Bay Regional Park District Fire Weather Restrictions

LEVEL 2 RESTRICTIONS FOR EXTREME FIRE DANGER ARE IN EFFECT **DISTRICT WIDE** FOR SUNDAY 06/30/2024

General Operating Procedures during periods of Level 2 Restrictions include:

Parks will remain open with the following restrictions in effect:

- A. No open fires or barbecues of any type. Gas-fueled stoves are permitted in all areas.
- B. Vehicles are restricted to driving only on designated roadways; no cross-country driving.
- C. No use of gasoline powered equipment (e.g. mowers in rough areas, weed eaters, chainsaws, welders and generators) outside of irrigated areas, designated campgrounds or developed recreational areas. Maintenance of irrigated areas is permitted. Road grading is permitted provided extra protection fire safety measures approved by the Fire Chief are implemented.
- D. Contractors may continue working on District lands provided they institute extra protection fire safety measures approved by the Fire Chief. Contractor operations must be directly supervised by a District representative to ensure specified extra protection fire safety measures are implemented.
- E. Increase monitoring and patrol by Park Staff.
 - 1. Keep fire danger adjective signs current.
 - 2. Post appropriate fire hazard warning signs.
 - 3. Prepare and check all fire equipment for readiness.
- 4. Notify all groups, special event participants, day-use visitors, campers, permittees, contractors and park employees of restrictions.
