Tilden Nature Area

This 740-acre preserve with 10+ miles of hiking trails is home to a blend of native and introduced plant communities, including oak/bay woodlands, grasslands, and eucalyptus forests. A 750-foot boardwalk leads to Jewel Lake, a historic reservoir and a peaceful place to watch wildlife. At the Environmental Education Center (EEC) you can explore Wildcat Creek watershed exhibits, learn about park activities, and purchase nature-related books and materials including a self-guided trail booklet. The EEC is open Tuesday through Sunday, 10 a.m. to 4:30 p.m. The nearby Little Farm (8:30 a.m. to 4 p.m. daily) is home to farm animals, including cows, sheep, goats, rabbits, chickens, and pigs. Several heritage breeds are preserved, including Milking Shorthorn Cattle. Visitors are welcome to bring lettuce or celery to feed the animals. Park naturalists offer interpretive programs about the area's natural and cultural history for schools, organized groups, and the

public. To make school or group program reservations, call the EEC at (510) 544-2233 or 1-888-327-2757, option 3, ext. 4564, or see ebparks.org.

Nature Area Trails

Tilden Nature Area's trails, designated by symbols on trailside directional posts, vary in length and difficulty and traverse a variety of habitats. A self-guided trail booklet is available for the Jewel Lake Trail from the EEC. The Short-Loop Trail offers a relatively non-strenuous walk compared to Tilden's more demanding trails.

Botanic Garden

The Regional Parks Botanic Garden specializes in the display, propagation, and conservation of California's native plants. The Garden's plant displays are presented geographically and cover our entire state from our southern deserts, to the high Sierra, to the northwestern redwood forests. Garden hours are 8:30 a.m. to 5:30 p.m. daily June to September and 8:30 a.m. to 5 p.m. daily October to May. Phone 1-888-327-2757, option 3, ext. 4507.

Brazilian Room

This historic building, a 1939 gift from the nation of Brazil, is popular for weddings, social events, and meetings. The facility, including a commercial kitchen and patio, may be viewed during open houses and by appointment. Phone (510) 544-3164.
